

Terms of Use for Schwab OpenView Workflow Library and Schwab OpenView MarketSquare

These Terms of Use (“Terms”) supplement the SIT Web Site Terms and Conditions. To the extent of any conflict between these Terms and the SIT Web Site Terms and Conditions, these Terms shall govern.

Performance Technologies, Inc. doing business as Schwab Intelligent Technologies (“SIT”) makes the Schwab OpenView Workflow Library™ and the workflows and other information contained in it (collectively, the “Library”) and Schwab OpenView MarketSquare™ including (without limitation) the ratings, reviews and other information contained in it (collectively, “MarketSquare”) available to you only if you, on behalf of yourself and the firm you represent (you and that firm individually and together, “you”), accept all of the terms and conditions contained in these Terms. The Library and MarketSquare are together referred to in these Terms as the “Services.” In case of any direct conflict between these Terms and the SIT Web Site Terms and Conditions, these Terms shall govern. Please read these Terms carefully before clicking on the "AGREE" button below, as doing so will indicate your agreement to the Terms. If you do not agree to these Terms, then SIT is unwilling to enable access to the Services, in which event you should click on the "CANCEL" button below to discontinue the enrollment process.

The Services are products of SIT made available to advisors that custody client assets with Schwab Advisor Services (“Advisors”). Schwab Advisor Services includes the custody, trading and support services of Charles Schwab & Co., Inc. (“CS&Co”), a registered broker-dealer and member SIPC. SIT provides the Services and other technology solutions to independent investment advisors, while CS&Co provides them and their clients with custody, trading and related support services. SIT and CS&Co are separate companies affiliated as subsidiaries of The Charles Schwab Corporation, but their products and services are independent from each other.

Workflow Library. The Library includes template workflows relating to, among other things, your use of customer relationship management (CRM) systems and other technology solutions provided to you by third parties and affiliates of SIT. Any reference in the Library to any third party should not be construed as any recommendation or endorsement of, or referral to such third party. The Library is provided for general information purposes only and is not tailored to your particular circumstances, practices and processes. You may need to tailor the workflows and related information to your circumstances. SIT cannot assure that the Library is complete or accurate. You, and not SIT or any of its affiliates, are solely responsible for your practices and processes and how you use the Library. SIT may, from time to time, update the Library, but it undertakes no duty to do so.

MarketSquare. Through MarketSquare, SIT makes available to Advisors profiles of certain products and services of vendors who agree to have their products and services rated and reviewed (“Vendors”), and SIT requests that Advisors provide SIT with ratings and reviews of those products and services. SIT consolidates those ratings and reviews and makes them available to Advisors. Ratings are quantitative rankings on a set scale of specified characteristics of the product or service and are determined by consolidating all ratings submitted by Advisors. Reviews are narratives consolidated by SIT based on the ratings and narrative reviews submitted by Advisors. SIT may permit Vendors to comment on the ratings and reviews posted for their products and services. SIT makes no representation or warranty

about the number of Vendors or Advisors that may participate in MarketSquare, the participation of any particular Vendor, the quantity, quality or nature of ratings and reviews, or the availability of the website through which the ratings and reviews are made available. SIT may, in its sole discretion, not make ratings and reviews available until it has received what it deems a sufficient number of ratings and reviews submitted by Advisors.

Vendors (other than Schwab Performance Technologies, an affiliate of SIT and CS&Co) are independent companies that are not affiliated with SIT or any of its affiliates. Their participation and the availability of ratings and reviews of their products and services is not a recommendation or endorsement of, expression of an opinion about (favorable or unfavorable), or referral to, the Vendor or its products or services by SIT or any of its affiliates. Neither SIT nor any of its affiliates makes any representation or warranty about accuracy, completeness, timeliness or any other quality of the information furnished by any Vendor or the ratings, reviews or other information provided through MarketSquare. You are solely responsible for evaluating, selecting, and purchasing products and services offered by Vendors.

Only products and services of Vendors that agree to participate in MarketSquare are rated and reviewed. Thus, you should not interpret those ratings and reviews as comparisons of those products and services to all similar products and services available in a particular category (for example, CRM systems). You should also understand that SIT and its affiliates may have other relationships with Vendors in addition to their participation in MarketSquare. These other relationships can include, without limitation, the Vendor's payment to participate in the Schwab OpenView Gateway™, incorporation of the Vendor's product or service into the Schwab OpenView Integrated Office™ (a service of Schwab Performance Technologies®), and arrangements with Advisors through which SIT's affiliate Charles Schwab & Co., Inc. pays Vendors for products and services they provide to Advisors. None of these relationships alters that the Vendors' participation and the availability of ratings and reviews of their products and services is not a recommendation or endorsement of, expression of an opinion about (favorable or unfavorable), or referral to, the Vendor or its products or services by SIT or any of its affiliates. Additional information about Schwab OpenView Gateway, Schwab OpenView Integrated Office, Schwab Performance Technologies, and Charles Schwab & Co., Inc. is available on the Site.

You consent to SIT and its affiliates' use and publication of all ratings, reviews and any additional information you provide to SIT ("Submissions"). You irrevocably agree and consent that SIT has the right, but not the obligation, to use and publish your Submissions, subject to the following: Submissions will be aggregated with those of other participating Advisors, except that narrative Submissions may be published verbatim or in edited form. In no case will SIT disclose your name (individual or firm) in the published ratings or reviews or to any Vendor or other third party without your prior written consent. All Submissions will be considered intellectual property of and owned by SIT; provided that, to the extent a license is required under your intellectual property rights to make use of Submissions, you hereby grant SIT an irrevocable, non-exclusive, perpetual, royalty-free license to use your Submissions for any purpose. On SIT's request, you will execute any documents necessary to perfect SIT's ownership interest in your Submissions, and you hereby grant to SIT a limited power of attorney, with right of substitution, to execute such document as may be necessary or desirable to effect the foregoing ownership grant. You consent to be contacted by SIT and its affiliates in regards to your Submissions.

You agree not to make Submissions that are defamatory, malicious, obscene, or unlawful in any respect. You agree not to include in any Submission any confidential information or other information the disclosure of which would violate any agreement between you and the Vendor to

whom the Submission applies. You agree to indemnify and hold harmless SIT and its employees, officers, directors, agents and its and their affiliates from and against any and all claims by any third party that any of your Submissions were defamatory, malicious, obscene, or unlawful. If you, any of your affiliates, or any Vendor in which you have a financial interest has a product or service rated or reviewed through MarketSquare, you will not directly or indirectly interfere with or attempt to influence any of the ratings and reviews of such product or service. Without limitation of the foregoing, you will not, directly or through any surrogate, (a) submit ratings or reviews of such product or service, (b) offer or provide any other Advisor any incentive or inducement to submit or reward for submitting a favorable rating or review of such product or service or an unfavorable rating or review of any other product or service, or (c) retaliate against any Advisor for submitting or not submitting any rating or review.

THE MAXIMUM LIABILITY OF SIT AND ITS AFFILIATES, SUPPLIERS AND LICENSORS FOR ALL CLAIMS (WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE) OF EVERY KIND ARISING OUT OF RELATING TO THE SERVICES WILL NOT EXCEED ONE HUNDRED DOLLARS (\$100.00).

SIT may terminate the availability of either of the Services at any time. SIT will use commercially reasonable efforts to notify you in the event of termination. You acknowledge that SIT may revise these Terms at any time, and by your continued use of any of the Services you agree to be bound by future revisions. It is your responsibility to periodically visit the "Terms of Use" link on the Site to review the most current version of these Terms. You may use your browser to print copies of any updated Terms.

You acknowledge and agree you will not contest the validity or enforceability of these Terms, including under any applicable statute of frauds, because you agreed to them in electronic form. Computer maintained records of a party when produced in hard copy form shall constitute business records and shall have the same validity as any other generally recognized business records.

YOU ACKNOWLEDGE THAT YOU HAVE READ THESE TERMS, UNDERSTAND THEM AND AGREE TO BE BOUND BY THEM. YOU REPRESENT YOU HAVE THE AUTHORITY TO AGREE TO THESE TERMS ON BEHALF OF YOUR FIRM AND BIND IT TO THEM.
